

Scholarship Application

Agape Therapeutic Riding Resources, Inc. has a limited number of scholarships available to riders who have a financial need each program session. During the awarded session, should a rider miss for any reason, the missed lesson cannot be made-up or credited toward the next lesson. We realize that there may be times that you must cancel due to illness, etc., but because we have very limited scholarships, we must follow this policy. Please attach a copy of last year's tax return with your application. This information is confidential and only for Agape's records.
